)**NOTICE OF PROPOSED RULE MAKING****Adopted: August 20, 1997****Released: August 29, 1997**

Comment Date: October 20, 1997

Reply Comment Date: November 4, 1997

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Team Broadcasting Company, Inc. ("petitioner"), requesting the allotment of Channel 244A to Macon, Mississippi, as the community's first local aural transmission service. Petitioner states it will apply for the channel, if allotted.

2. We believe petitioner's proposal warrants consideration since it could provide Macon<sup>1</sup> with its first local FM service. Channel 244A can be allotted to Macon in compliance with the Commission's minimum distance separation requirements with a site restriction of 4.6 kilometers (2.9 miles) west in order to avoid a short-spacing conflict with the licensed operation of Station WMJJ-FM, Channel 243C, Birmingham, Alabama.<sup>2</sup>

3. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

<sup>1</sup> According the 1990 U.S. Census, Macon is an incorporated community with a population of 2,256 persons.

<sup>2</sup> The coordinates for Channel 244A at Macon are 33-07-25 NL and 88-36-34 WL.

Macon, Mississippi	--	244A

4. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

5. Interested parties may file comments on or before October 20, 1997, and reply comments on or before November 4, 1997, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, DC 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

6. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981.

7. For further information concerning this proceeding, contact Pam Blumenthal, Mass Media Bureau, (202)418-2180. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement.

Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.
